

CICA SA BRANCH IN OUR MEETINGS

Latest News

Issue No.1 August 2016

- Our **Annual Branch Meeting** was held on Thursday 28th July
- **We have a new chairman!** Congratulations to Rodger Weste on his appointment and many thanks to Cheryl Woodhart who has put in many years in the role.
- Congratulations also to those elected to the executive committee, including Marcus Rigney as Vice Chair.
- At our general meeting we were given an interesting talk by the **Commissioner for Small Business** in SA, John Chapman on the current update being undertaken to the **Security of Payment Act**. If John gets what he wants, it should really help sub-contractors get paid and in a timely manner.
- Members were informed of the great advances being made with DPTI regarding road access and the **RAVnet**. There are real achievements occurring in this area.

Recent Achievements

- Through the great (and long) work of the CICA SA committee (Rodger & Cheryl mainly), there has been a major win for crane owners in **reduced fees** for bridge assessments. **Big savings!**

Upcoming Events

- CICA SA branch will have a booth at the **GMUSG & SACOME Conference** and Trade Expo in Pt Pirie – 17th to 18th August to promote our industry.
- **CICA National Conference** in Cairns - 15th to 17th September. **Are you going?**
- **CICA SA Regional meeting in Pt Pirie** – Friday 14th October. **All invited. More on this later**
- **CICA SA Awards Night** – Saturday 10th December at the Adelaide oval.
